---

### ***MassBays Vision***

We envision a network of healthy and resilient estuaries, sustainable ecosystems that support the life and communities dependent upon them.

### ***MassBays Mission***

To empower coastal communities to protect, restore, and enhance their coastal habitats. To fulfill this mission, MassBays engages local, state, and federal entities to advance the use of scientific information and provide technical support for decision making.

12:00 **Updates from MassBays staff**

12:05 **Updates from the Regional Coordinators** (3min each plus Q&A)

Lower North Shore – *Alison Frye, Salem Sound Coastwatch*
